DR. TOWNSEND'S

SARSAPARILLA THE MOST EXTRAORDINARY MEDICINE IN THE WORLD. This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient. The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it eradicates the dis-

ease, it invigorates the body. It is one of the very best SPRING & SUMMER MEDICINES ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood: a power possessed by no other medicine And in this lies the grand secret of its wonderful success It has performed within the last five years more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons. 10,000 cases of general debility and want of nerous energy. Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost heir muscular energy by the effects of medicine or in discretion committed in youth, or the excessive indu cal prostration of the nervous system, want of ambitio fainting sensations, premature decay and decline, has tening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any Invigorating Cordial. As it renews and invigorates the system, gives

New-York, April 28, 1847. Dr. Townsend-I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quanties of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankfu for these results. Your obedient servant, WM. RUSSELL, 65 Catherine-s

Female Medicine. Dr. Townsend's Sarparilla is a sovereign and speedy cure for Incipent Consumption, barrenness, prolapsus Uteri, costiveness, piles, leucorrhæa, and for the general prostration of female system-no matter whether the resul of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surpris ing than its invigorating effects on the human frame Persons all w akness and lassitude, from taking it, at once become robust and full of energy under its influence. The great beauty of this medicine is, it is always safe, and the most delicate Beauty & Health. Cosmetics, chalk, and a vaicty of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which

when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in staps, beautifies its own production in the " human face Divine," as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy cir! ulation of the fluids of the coursing of the pure, rich shood to the extremities, is that which paints the counenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature-not of powder or soap If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint and use cosmetics, and the blood is thick, cold and im pure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to the eyes that is fasci-
